THE PRESIDENTS PAGE – Bellevue Vets Newsletter - March, 2005

SIXTY YEARS serving the community

I want to say THANK YOU to the Entertainment committee for hosting the Mardi Gras dance, and the FISH FRY. The fish fry is eight (8) events. So three months into 2005 they have already pulled off ten events. The fish tastes great; the shrimp is always good, along with the extras you find in the set-up. Don't forget the cold drinks at the bar. Everything has a very reasonable price. You can eat in, or call your order in over the telephone, you can even carry out. Shoot a game of pool while you wait. **Don't forget to sign up for the Easter egg hunt.**

We have the Property Planning & Review Board working on plans for some special projects. They even have the City of Bellevue offering to help look for some grant money. We plan on presenting a plan to City Counsel on what the Vets would like to do over the next two (2) years. We hope this will get the City of Bellevue to help this sixty (60) year old property keep up with the change taking place around us.

We are talking about replacing the yellow poles & chains out front with the new look brick pillar & black fence you see across the street. Replacing the brown siding on the outside of the building with a new look. Maybe a new memorial on the southeast corner that matches the sign across the street with flag poles. Again this at the TALKING stage. A lot of work to make it happen.

BELLEVUE VETS

By Dick Schaiper

As the months of our New Year move along and the cold weather moves on out to allow the warmer weather in we look for the warmth of the sun to get stronger and stronger. We just can't wait for those warm days ahead. Although we had a lot of snow and cold around Christmas it hasn't been too bad since. Maybe the warmer weather will move in to stay. I don't think so, but you never know what Mother Nature has in store for us in the days ahead. Years ago it seemed like the snow and cold stayed around a lot longer then it does today. But of course today we have a lot more traffic and better snow removal equipment to help move and melt the snow. Back in

our days the only streets that got any attention

from the snow was the main streets that were used by the buses. The Bus Company would go around and throw some sand so the buses could make it around the city picking up their passengers. That's because most of those passengers had to rely on the buses to take them to work everyday. You see not everyone had autos to drive to and from work. We had to walk or take the bus to get anywhere back in those days. You youngsters are always saying how rough you have it today. I wonder what you would of said if you were us in those days.

A true way of knowing that the warm weather is on the way is when our Youth Baseball and Volleyball Leagues hold their sign ups. Well it's sign up time again so the warmer weather will be here soon. The time for the sign up is from 1 p.m. to 4 p.m. on Saturdays and Sundays at our club. Be sure and get down and sign your child up for a summer of fun learning to play a sport with other children their own age. It's a time they won't forget.

As in past years our Bellevue Vets Knothole teams will hold their tournament on March 18th and is open to teams all around our area. Teams are from the Northern Kentucky and the Cincinnati area. This is a tournament that starts off the season for these teams. Stop down and try and watch a few games if you get the chance. We hope they have some warm weather like last year to make it more

enjoyable.

Very soon we will have a lot of

activities on our grounds. Our Youth Baseball and Volleyball teams will be playing most everyday. Bellevue High School will also be using our backfield again this year for their home games. So if your interested in watching some of the big boys playing stop on down and see a few games. The Bellevue Vets are always here for the youth of the Community. We have been leaders in youth sports for many years in the Northern Kentucky area.

If your company or organization would be interested in sponsoring a team in our Youth Baseball or Volleyball League give us a call at {859} 431-0045 for more information. For the cost of \$150.00 per team your name will be printed on each players shirt of your team for all to see.

If you would like to join our club and be part of a club who cares for their community then you should belong to the Bellevue Veterans Club. To do this call {859}431-0045 or see a member for more information.

Chucks Shorts Tales from the bar

A guy walks into a bar in Corbin and orders a white wine. Everybody sitting around the bar looks up, expecting to see some pitiful yankee queer.

Chuck looks up and says, "You ain't from around here, are ya??? Where ya from, boy?"

The guy says, "I'm from Iowa."

Chuck asks, "What the heck you do in Iowa?"

The guy responds, "I'm a taxidermist."

Chuck asks, "A taxidermist? Now just what the heck is a taxidermist?"

The guy says nervously, "I mount animals."

Chuck grins and shouts out to the whole bar, "It's okay boys, he's one of us!"
