## BELLEVUE VETS

By Dick Schaiper

Here we go again with snow and more snow. I think we had enough snow for the next few years, don't you? But we know that living in this part of the country we can expect to get all kinds of weather. You would think that we would be getting used to it by now. But as we all know we never do. I guess we must be getting paid back for all that nice spring like days we had earlier this winter. We can take that anytime.

Hay all you guys don't forget that February 14<sup>th</sup> is Valentines Day and the day that Cupid is shooting his love arrows at couples to attract them to one another. It's the day we show how much we care for the person were with. We give gifts of flowers, candy or take them out for a romantic dinner for just the two of you. Some even use Valentines Day to propose to the one they love. So all us married men must not forget to get a gift of some sort for our wife to show that she is our Valentine and that you love her. Don't forget that most woman will give her man a gift of some kind to show her love for

him. Even though this paper should reach your home on Sunday you may not get to read it until a few days later but you can still get and give her that gift anyway. Good luck to all of you !

Did anyone realize that Easter is early this year. This means that our Fish Fry will start on Friday night February 9th and go on every Friday from 5 p.m. to 8 p.m. until the end of lent. Stop on down and pick up your order and sit in our lounge and enjoy a cold drink of your choice. You can call ahead and your order will be ready when you arrive. Call 431-0045 to place your order.

We hope you have noticed that we are taking names for our Youth Leagues now. Our Youth Baseball and Volleyball Leagues will be holding sign-ups every Saturday and Sunday from 1 p.m. to 4 p.m.. This will be going on for some time. Be sure to bring a proof of age so your child can be placed on a team with kids his own age. We know they will enjoy playing in our leagues just like many other kids have for many years.

Our Knothole teams will once again hold their Tournament on our fields. Teams from all over the local area will be playing in this tournament. Some will come from around Cincinnati and all over Northern Kentucky. It's the first tournament of the season for these youngsters. The starting date for this tournament is March 18th.. Stop down and watch some of these games. We hope that the weather will be warm for them to play in. Good luck boys!

If you want to join our club just

### *Tales from the bar*

After a long night at the bar Jeff Lyons decides to go ice fishing, so he gathers his gear and goes walking around until he finds a big patch of ice. He heads into the center of the ice and begins to saw a hole. All of sudden, a loud booming voice comes out of the sky.

"You will find no fish under that ice."

Jeff looks around, but sees no one. He starts sawing again. Once more, the voice speaks.

"As I said before, there are no fish under the ice."

Jeff looks all around, high and low, but can't see a single soul. He picks up the saw and tries one more time to finish. Before he can even start cutting, the huge voice interrupts.

"I have warned you three times now. There are no fish!"

Jeff is now flustered and somewhat scared, so he asks the voice, "How do you know there are no fish? Are you God trying to warn me?"

"No", the voice replied. "I am the manager of this hockey rink."
